-FISC Cheatham Annex	G.4.13
-Naval Air Station Norfolk	G.4.14
-Naval Air Terminal Norfolk	G.4.15
-Naval Amphibious Base Little Creek	G.4.16
-Norfolk Naval Shipyard Portsmouth	G.4.17
-Naval Air Station Oceana, VA Beach	G.4.18
-Naval Surface Warfare Center Dahlgren	G.4.19
-Naval Medical Center Portsmouth	G.4.20
-SUPSHIPS, Newport News	G.4.21
-Ft. A.P. Hill	G.4.22
- Consolidated Personal Property Shipping Office, Norfolk	
– Commercial warehouses located within a 50-mile radius of Norfolk	
Region 8 – Defense Depot Susquehanna, PA (DDSP) (also tires to CONUS)	H.1
Dedicated Truck Routes	H.1.1
Defense Depot Tobyhanna, PA (DDTP)	H.2
Defense Depot Columbus, OH (DDCO)	H.3
McGuire Air Force Base, NJ	H.4
-Commercial warehouses located within a 30-mile radius of McGuire AFB	
Northeast Naval Facilities (LTL Van Only) –	
-Naval Air Station, Brunswick, ME	H.5.1
-Supervisor of Shipbuilding, Bath, ME	H.5.2
-Commercial warehouses located within a 50-mile radius of Bath, ME	

ATTACHMENT 1

- Naval Station Newport, Newport, RI H.5.3
- Commercial warehouses located within a 50-mile radius of Naval Station Newport
- Naval Submarine Base, New London, CT H.5.4
- Portsmouth Naval Shipyard, Portsmouth, NH H.5.5

Region 9 – Optional Region – May be added at a later date with additional quantities if the Third Party Logistics Contract is not extended.

DESTINATION REGIONS

TO:

Eastern Region: CT, DC, DE, KY, MA, MD, ME, NH, NJ, NY, PA, RI,
VA, VT, WV

Southern Region: AL, FL, GA, MS, NC, SC, TN

Central Region: IA, IL, IN, MI, MN, OH, WI

Southwest Region: AR, KS, LA, MO, OK, TX

Midwest Region: AZ, CO, MT, ND, NE, NM, SD, UT, WY

Pacific Region: CA, ID, NV, OR, WA

Shipper Requirements

Appendix A

Origin: Defense Distribution Depot Puget Sound, WA (DDPW)

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment.

- a. LTL, Closed van, flat floor, 27/28-feet or greater in length.
- b. T/L Van, Flatbed, Drop-Frame, Trailers will be 45-feet or greater in length

Substitution: Where substitution of equipment is permitted, no cost adjustments will be allowed. For carrier's convenience, a carrier may substitute trailers greater than 45 feet in length without additional cost to the government.

Equipment Pool: No trailer pool required at this location. Carrier spots empty trailer at specified loading dock and provides pick-up of loaded trailer.

2. Shipper-Unique Requirements:

Operating Hours: Monday through Friday, 0730 – 1530 hours

Loading/Unloading Instructions: Shipper load and count, and consignee unload.

3. Point of Contact and Other Information:

467 "W" Street
DDPW-T SW3216
Bremerton, WA 98314-5130
Karen Braget kgraget@ddc.dla.mil
Telephone: (360) 476-7800
FAX: (360) 476-8939

Shipper Requirements

Appendix B.1

Origin: Defense Distribution Depot San Joaquin, CA (DDJC)

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment.

- a. LTL, Closed van, flat floor, 27/28-feet or greater in length.
- b. T/L Van, Flatbed, Drop-Frame, Rollerbeds, Trailers will be 45-feet or greater in length

Substitution: Where substitution of equipment is permitted, no cost adjustments will be allowed. For carrier's convenience, a carrier may substitute trailers greater than 45 feet in length without additional cost to the government.

Equipment Pool: Two Truckload vans per region, two LTL trailers per region, live load flatbeds, live load drop-frame trailers, and two trailers per dedicated truck lane

2. Shipper-Unique Requirements:

Operating Hours:

Monday through Friday, 0800 – 2300 hours, Saturday and Sunday, 0800 – 1400 hours, Monday through Saturday, 0800 – 1630 hours (Rollerbeds).

Loading/Unloading Instructions: Shipper load and count, and consignee unload.

3. Point of Contact and Other Information:

Building 16

DDJC-T SW3200

Stockton, CA 95296-0113

Dennis Barnum djbarnum@ddc.dla.mil

Telephone: (209) 839-4229

FAX: (209) 839-4645

Dedicated Truck Lanes. The destination regions will include dedicated truck routes as shown in the appendices. Most of the dedicated truck routes will include multiple stop-offs and multiple split deliveries. These shipments will include exclusive use and expedited delivery service.

Shipper Requirements

Appendix B.2

Origin: Travis Air Force Base, CA

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment and ensure that all previously used blocking and bracing materials have been removed. Carriers have the option of providing vans, flatbed, and /or single dropframe equipment as shown below:

- a.** LTL Van: Carriers are required to furnish closed vans with flat floors, 27-foot or greater in length, or one 53-foot van in lieu of two 27-foot vans.
- b.** TL Van: Carriers are required to furnish closed vans with flat floors, 40-foot or greater in length, with and without air-ride, and air-ride tractors, as requested by shipper.
- c.** Flatbed Equipment: Carriers must furnish flatbed trailers, 45-foot or greater in length, with and without air-ride, and air-ride tractors, as requested by the shipper. At shipper's request, carriers will provide flatbed trailers with wooden floors for the purpose of blocking and bracing.
- d.** Dropframe Equipment: Carriers must furnish single dropframe trailers, 40-foot or greater in length, with and without air-ride, and air-ride tractors, as requested by the shipper. At shipper's request, carriers will provide single dropframe trailers with wooden floors for the purpose of blocking and bracing.

Substitution: Where substitution of equipment is permitted, no cost adjustment will be allowed. With prior approval from the shipper, and if freight characteristics permit, the following equipment substitutions may be made:

- a.** LTL van carriers may substitute one 40/45-foot van in lieu of one 27/28-foot van; or two 27/28-foot vans for one 40-foot or greater van; or one 53-foot van in lieu of two 27-foot vans.
- b.** TL van carriers may substitute two 27/28-foot vans for one 40-foot or greater van.

- c. Flatbed/dropframe equipment may be substituted with equipment of other lengths. Carriers may substitute a double drop trailer for a single drop trailer if the loading area of the substituted equipment is equal to or greater than the loading area of the equipment ordered.

Equipment Pool: LTL van carriers will be required to maintain an equipment pool of “a minimum of four empty trailers per region.” This pool may be adjusted by the shipper, based on traffic fluctuations:

- a. Carriers will be required to respond to pool allocation adjustments within 24 hours after notification.
- b. A holding area will be provided where LTL carriers may drop pool equipment and/or empty trailers awaiting shipper placement for loading or placement of loaded trailers awaiting carrier pickup.
- c. Charges for detention, or vehicle furnished but not used, will not apply to LTL pool equipment.

2. Shipper-Unique Requirements: Carriers will acknowledge shipper movement requirements within the time frame and by the means specified by the shipper. Carriers must furnish TL van and flatbed equipment within 24 hours after being notified by the shipper of equipment requirements. Carriers must furnish dropframe equipment within 48 hours after being notified by the shipper of equipment requirements.

Operating Hours:

- a. TL van, flatbed and dropframe equipment loading is from 8 a.m. - 3 p.m. Monday through Friday, except for Federal holidays.
- b. The shipper will have twenty-four (24) hour loading capability for LTL van pool equipment. Carriers are required to place/drop their empty trailers for loading and/or to remove their trailers after loading within 24 hours of notification by the shipper. (Normal duty hours are from 8 a.m.- 3 p.m. Monday through Friday, except for Federal holidays).
- c. Billing procedures are normally conducted from 8 a.m. - 3 p.m. Monday through Friday, except for Federal holidays. Carriers will report to Building 977, Room 201 for documentation.
- d. Operations on Saturdays, Sundays, or holidays will be scheduled when necessary to accomplish mission requirements.

Loading/Unloading Instructions: LTL van shipments will be loaded under shipper load and carrier count. TL van, flatbed and dropframe shipments will be loaded under shipper load and shipper count. Carriers will report overages and/or shortages for LTL shipments to the consignor telephonically within 24 hours of accepting the shipment. Shipments will normally be unloaded by the consignee at destinations and stop-off points. Carrier agrees to assist in loading or unloading at shipper or consignee request. Pre-loaded shipments are loaded under shipper load and carrier count procedures.

Detention: Vehicle without Power Unit (DET). The contractor will allow 72 hours of free time for loading or unloading of the shipment.

3. Special Equipment Instructions:

- a.** Carrier assumes full responsibility of final movement inspection, securing all necessary straps and/or chain tie-downs, dunnage, and tarps to properly secure and protect the load from the element while in its possession. Carrier agrees that when flatbed/dropframe equipment is ordered by the shipper, rates and charges will include carrier providing all necessary tarps, straps and/or chain tie-downs to properly secure and protect the load.
- b.** It is the contractor's responsibility to completely tarp a shipment without charge for other than security purposes. Heavy duty tarpaulin(s) will be required to completely cover weather sensitive items (i.e. aircraft engines, crated household goods).
- c.** Reweigh of cargo at the carrier's request will be verified by the consignee. Carrier will provide the consignor with the consignee's name (printed), signature, title and telephone number of the point of contact of the weight in question.
- d.** If a shipment will be moved by a trip leased carrier, the shipper would like to receive by FAX a copy of the Trip Lease Agreement prior to the arrival of the driver. The expiration date of the Trip Lease Agreement must be at least 10 days beyond the shipment date.
- e.** Contractors will not reload aircraft engines except as authorized by the shipper.
- f.** For loading 463L pallets on flatbeds, the contractor must furnish necessary dunnage to protect and secure shipments for transportation at no additional charge. The required dunnage for each 463L pallet is 3 pieces of lumber 4 inches by 98 inches in length.

Origin: Barksdale Air Force Base, LA

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment and ensure that all previously used blocking and bracing materials have been removed.

LTL Van: Carriers are required to furnish closed vans with flat floors, 40-foot or greater in length.

Substitution: With prior approval from the shipper, and if freight characteristics permit, the following equipment substitutions may be made:

LTL van carriers may substitute one 30-foot or less van for a 40-foot or greater van. Where substitution of equipment is permitted, no cost adjustments will be allowed. Charges will be assessed on the equipment ordered, not on the equipment furnished.

2. Shipper-Unique Requirements:

a. Loading and billing procedures are conducted from 7:30 a.m. to 4 p.m., Monday through Friday, excluding Federal holidays. Delivery service will be required Monday through Friday, excluding Federal holidays.

b. On occasion, Saturday pickup may be necessary to accomplish mission requirements. Hours of operation will be 7:30 a.m. to 4 p.m.

c. Carriers must furnish van equipment shown above within 24 hours after being notified by the shipper.

Loading/Unloading Instructions: Shipments will be loaded under shipper load and carrier count. Carriers are required to validate (count) the freight as it is being loaded. Shipments will be unloaded by the consignee at destinations and stop-off points.

3. Point of Contact and Other Information:

Shipper Requirements

Appendix E.5

Origin: Laughlin AFB, TX

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment and ensure that all previously used blocking and bracing materials have been removed.

TL Flatbed: Carriers must furnish flatbed trailers 40-foot or greater in length.

Substitution: Where substitution of equipment is permitted, no cost adjustments will be allowed. For carrier's convenience, a carrier may substitute trailers greater than 45 feet in length without additional cost to the government.

2. Shipper-Unique Requirements:

a. Loading and billing procedures are conducted from 8:00 a.m. to 11:30 a.m., Monday through Friday, excluding Federal holidays. Delivery hours are from 7:30 a.m. to 4:30 p.m. Monday through Friday, excluding Federal holidays.

b. On occasion, Saturday pickup may be necessary to accomplish mission requirements. Hours of operation will be 8:00 a.m. to 4:30 p.m.

c. Carriers must furnish flatbed equipment shown above within 24 hours after being notified by the shipper.

Loading/Unloading Instructions: Shipments will be loaded under shipper load and carrier count. Carriers are required to validate (count) the freight as it is being loaded. Shipments will be unloaded by the consignee at destinations and stop-off points.

Shipper Requirements

Appendix F.2.1 thru F.2.8

North Carolina Multi-Service

Origin: Various Locations within NC
(See attached Origin Points)

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment. Carriers will furnish only clean equipment and ensure that all previously used blocking and bracing materials have been removed.

- a. LTL van, Up to 40-foot closed vans with flat floors.
- b. TL van, 40-foot or greater closed vans with flat floors, including air-ride, and air-ride tractors, as needed.
- c. Flatbed Equipment, Flatbed trailers 40-foot or greater in length, flatbed air-ride trailers 40-foot or greater in length, and air-ride tractors, as needed.

Substitution: With prior approval from the shipper, and if freight characteristics permit, the following equipment substitutions may be made:

- a. LTL van carriers may substitute one 40-foot van in lieu of one 27/28-foot van; or two 27/28-foot vans for one 40-foot van. Also, if shipper orders a 27/28-foot van, at shipper's discretion and agreement, carrier may provide smaller equipment but only if it has a carrying capacity of not less than 900 cubic feet.
- b. TL van carriers may substitute two 27/28-foot vans for one 40-foot or greater van.
- c. Flatbed/flatbed air-ride equipment may be substituted with equipment of other lengths.
- d. Where substitution of equipment is permitted, no cost adjustment will be allowed. Charges will be assessed on the equipment ordered, not on the furnished equipment.

Equipment Pool:

ATTACHMENT 1

- a. If requested by the shipper, carriers will be required to maintain an equipment pool of empty trailers at specific origin sites.
- b. The shipper may adjust the size of this pool based on traffic fluctuations. Carriers will be required to respond to pool allocation adjustments within 2 weeks after notification.
- c. A holding area will be provided where carriers may drop pool equipment and/or empty trailers awaiting carrier placement for loading or placement of loaded trailers awaiting carrier pickup.
- d. Charges for detention will not apply to pool equipment.

2. Shipper-Unique Requirements:

Loading/Unloading Instructions: Shipments will be loaded by the consignor and unloaded by the consignee. Pickup and delivery service will be required Monday through Friday, except for Federal holidays. Charges for pickup/delivery service outside normal business hours, including weekends and Federal holidays, will be provided.

Operating Hours:

- a. Loading and billing procedures are generally conducted Monday through Friday, except for Federal holidays.

- (1) Seymour Johnson Air Force Base, Goldsboro From 7:30 a.m. to 4:30 p.m.
 - (2) Marine Corps Base, Camp LeJeune, Jacksonville From 8 a.m. to 4:30 p.m.
 - (3) Marine Corps Air Station (Helicopter), New River, Jacksonville From 8 a.m. to 4:30 p.m.
 - (4) Ft Bragg, Fayetteville From 7:30 a.m. to 4:30 p.m.
 - (5) U. S. Property and Fiscal Office for North Carolina, Raleigh From 7:30 a.m. to 4:30 p.m.
 - (6) North Carolina Air National Guard, (FB 6331), Charlotte From 7:30 a.m. to 4:30 p.m.
 - (7) Pope Air Force Base, Fayetteville From 7:30 a.m. to 4 p.m.
 - (8) Naval and United States Marine Corps Reserve Center, 4th Maintenance Battalion, 4th Force Service Support Group, Charlotte from 7:30 a.m. to 4:30 p.m.
- b. Operations on Saturdays, Sundays, or holidays will be scheduled when necessary to accomplish mission requirements.

c. Carriers must furnish van and flatbed equipment within 24 hours after being notified by the shipper of equipment requirements.

Shipper Requirements

Appendix F.3.1 thru F.3.11

South Carolina Multi-Service

Origin: Various Locations within SC
(See attached Origin Points)

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment. Carriers will furnish only clean equipment and ensure that all previously used blocking and bracing materials have been removed.

- a. LTL van, Up to 40-foot closed vans with flat floors.
- b. TL van, 40-foot or greater closed vans with flat floors, including air-ride, and air-ride tractors, as needed.
- c. Flatbed Equipment, Flatbed trailers 40-foot or greater in length, flatbed air-ride trailers 40-foot or greater in length, and air-ride tractors, as needed.

Substitution: With prior approval from the shipper, and if freight characteristics permit, the following equipment substitutions may be made:

- a. LTL van carriers may substitute one 40-foot van in lieu of one 27/28-foot van; or two 27/28-foot vans for one 40-foot van. Also, if shipper orders a 27/28-foot van, at shipper's discretion and agreement, carrier may provide smaller equipment but only if it has a carrying capacity of not less than 900 cubic feet.
- b. TL van carriers may substitute two 27/28-foot vans for one 40-foot or greater van.
- c. Flatbed/flatbed air-ride equipment may be substituted with equipment of other lengths.
- d. Where substitution of equipment is permitted, no cost adjustment will be allowed. Charges will be assessed on the equipment ordered, not on the furnished equipment.

Equipment Pool:

- a. If requested by the shipper, carriers will be required to maintain an equipment pool of empty trailers at specific origin sites.
- b. The shipper may adjust the size of this pool based on traffic fluctuations. Carriers will be required to respond to pool allocation adjustments within 2 weeks after notification.
- c. A holding area will be provided where carriers may drop pool equipment and/or empty trailers awaiting carrier placement for loading or placement of loaded trailers awaiting carrier pickup.
- d. Charges for detention will not apply to pool equipment.

2. Shipper-Unique Requirements:

Loading/Unloading Instructions: Shipments will be loaded by the consignor and unloaded by the consignee. Pickup and delivery service will be required Monday through Friday, except for Federal holidays. Charges for pickup/delivery service outside normal business hours, including weekends and Federal holidays. When flatbed equipment is ordered all rates and charges include the carrier provided necessary tarps, straps, and/or chain tie-downs to properly secure and protect the load at no additional cost to the Government.

Operating Hours:

- a. Loading and billing procedures are generally conducted Monday through Friday, except for Federal holidays.
 - (1) Charleston Air Force Base, Charleston from 8 a.m. to 4 p.m.
 - (2) Shaw Air Force Base, from 8 a.m. to 3:30 p.m.
 - (3) Marine Corps Air Station, Beaufort from 8 a.m. to 3:30 p.m.
 - (4) Marine Corps Recruit Depot, Parris Island from 8 a.m. to 3:30 p.m.
 - (5) Naval Hospital, Beaufort from 8 a.m. to 3:30 p.m.
 - (6) United States Property and Fiscal Office for South Carolina, Columbia from 8 a.m. to 3:30 p.m.

Shipper Requirements

Appendix G.4.1 thru G.4.21

Virginia Multi Service

Origin: Various Locations within VA
(See attached Origin Points)

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment:

- a. LTL van carriers are required to furnish closed vans with flat floors, 27-foot or greater in length.
- b. TL van carriers are required to furnish closed vans with flat floors, 40-foot or greater in length, and with or without air-ride as requested by shipper.

Substitution: Where substitution of equipment is permitted, no cost adjustment will be allowed. With prior approval from the shipper, and if freight characteristics permit, the following equipment substitutions may be made:

- a. LTL van carriers may substitute one 40/45-foot van in lieu of one 27/28-foot van; or two 27/28-foot vans for one 40-foot or greater van.
- b. TL van carriers may substitute two 27/28-foot vans for one 40-foot or greater van.

2. Equipment Pool:

If requested by the shipper, carriers will be required to maintain an equipment pool of empty trailers at specific origin sites. The shipper may adjust the size of this pool based on traffic fluctuations. Carriers will be required to respond to pool allocation adjustments within 2 weeks after notification. A holding area will be provided where carriers may drop pool equipment and/or empty trailers awaiting carrier placement for loading or placement of loaded trailers awaiting carrier pickup. Charges for detention will not apply to pool equipment.

3. Shipper-Unique Requirements:

Loading Instructions: Loading and billing procedures are generally conducted Monday through Friday, except as noted below and except Federal holidays. LTL van and flatbed shipments are normally loaded under shipper load and carrier count and unloaded by the consignee at destinations and stop-off points. At shipper option, the carrier may be required to assist the shipper in loading shipments. TL van shipments will be loaded by the shipper and unloaded by the consignee at destinations and stop-off points. On occasion, at shipper request, the carrier agrees, to assist in loading the freight and validate count as it is being loaded.

Operating Hours:

- (1) United States Property and Fiscal Office (USPFO) for VA Waller Depot, Richmond, Tuesday through Friday from 7:04 a.m. to 4:30 p.m.

* Return of Pallets/Nets: The contractor agrees to return empty pallets, including the 463-L pallets/nets to consignor without charge. Unless otherwise specified, carrier may consolidate pallets and return them in conjunction with scheduled freight pick-ups. The 463-L pallets and nets will be returned to the consignor on a daily basis. Carrier will provide the shipper with documents showing the number of pallets being returned and the trailer number containing the empty pallets.

Return of Pallets from Dover AFB to DDSP will be performed Free of Charge. Pallets will be returned in Truckload Quantities

ƒ DDSP Rollerbeds shipments are not considered Dedicated Truck Routes. (Updated 14 Jan 04)

Shipper Requirements

Appendix H.2

Origin: Defense Distribution Depot Tobyhanna, PA (DDTP)

Destination: CONUS

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment.

- a. LTL, Closed van, flat floor, 27/28-feet or greater in length.
- b. T/L Van, Flatbed, Drop-Frame, Trailers will be 45-feet or greater in length

Substitution: Where substitution of equipment is permitted, no cost adjustments will be allowed. For carrier's convenience, a carrier may substitute trailers greater than 45 feet in length without additional cost to the government.

Equipment Pool: No trailer pool required at this location. Carrier spots empty trailer at specified loading dock and provides pick-up of loaded trailer.

2. Shipper-Unique Requirements:

Operating Hours: Monday through Friday, 0730 – 1500 hours.

Loading/Unloading Instructions: Shipper load and count, and consignee unload.

Origin: McGuire AFB, NJ

Destination: CONUS

Destination:

1. Equipment Required:

Size and type: Carriers will be required to furnish the following empty, clean and safe equipment. Carriers will ensure that all previously used blocking and bracing materials have been removed.

- a. LT Van: Carriers will be required to provide closed vans with flat floors, 27-foot or greater in length. At shipper's request, carrier shall furnish empty 40-foot or greater closed air-ride vans and air-ride tractors within 24 hours from time of request.
- b. TL Van: Carriers are required to furnish closed vans with flat floors, 40-foot or greater in length, with and without air-ride, and air-ride tractors, as requested by shipper.
- c. Flatbed Equipment: Carriers must furnish flatbed trailers, 45-foot or greater in length, with and without air-ride, and air-ride tractors, as requested by the shipper. At shipper's request, carriers will provide flatbed trailers with wooden floors for the purpose of blocking and bracing.
- d. Dropframe Equipment: Carriers must furnish single dropframe trailers, 40-foot or greater in length, with and without air-ride, and air-ride tractors, as requested by the shipper. At shipper's request, carriers will provide single dropframe trailers with wooden floors for the purpose of blocking and bracing.

Substitution: With shipper's prior approval, and if freight characteristics permit, the carrier may be permitted to substitute the van size.

- a. Carriers may substitute one 40/45-foot van in lieu of one 27/28-foot van; or two 27/28-foot vans for one 40-foot or greater van.
- b. Where substitution of equipment is permitted, no cost adjustments will be allowed. Charges will be assessed on the equipment ordered, not on the equipment furnished

2. Shipper-Unique Requirements:

ATTACHMENT 1
